HOW WE CAN HELP PUT THINGS RIGHT

We recognise that from time to time a customer may be not be fully satisfied with the standard of service experienced. Although infrequent, such events must be addressed in order to ensure that our normal high standards are maintained and, where necessary, improved for the benefit of everyone.

If you should feel dissatisfied with our full reply to your initial query, we ask that you write as soon as possible to the Customer Services Manager, within 28 days from the issue of our reply. You will receive a response within five working days of receipt of your letter, giving a full reply – or advising you that additional time will be required and stating a date for this response.

If, however, you should feel dissatisfied with the full reply of the Customer Services Manager, you must write to the Managing Director, as soon as possible but within 14 days, stating why you do not consider the reply to be satisfactory. The Managing Director will confirm his decision in writing within 10 working days of receipt, either giving a full reply or advising you that additional time will be required and stating a date by which he will respond. The decision of the Managing Director is final.

Greenbelt recognises some customers may wish to have their complaint reviewed by an independent third party, if they remain unsatisfied with the Managing Director’s response.

In order to help you to pursue this option, we have, in conjunction with RICS, developed a facility for a fully independent Ombudsman service to resolve individual and multiple customer disputes.

A guide to the Ombudsman dispute resolution service is available on our website www.greenbelt.co.uk using the ‘Policies’ link in the footer section, or can be provided on request by calling 0800 028 1749.

If you live in Scotland and do not wish to use our independent dispute resolution service, but remain dissatisfied with the Managing Director’s decision – and if you consider we have failed to comply with our duties in terms of the Property Factors (Scotland) Act 2011 (“the Act”) or if you consider we have failed to comply with the Code of Conduct (set out in the Act) – you can ask for a determination by the First-tier Tribunal for Scotland (Housing and Property Chamber).

The Panel can be accessed online at www.housingandpropertychamber.scot. To make a complaint you must first notify us in writing of the reasons you consider we have failed to comply with our duties or failed to comply with the Code and we must also have refused to resolve your concerns or have unreasonably delayed in attempting to resolve them.

HOW OUR GRIEVANCE PROCEDURE WORKS

Where an enquiry is an alleged grievance against a Greenbelt employee, a contractor or involves criminal damage, this will be treated as a formal complaint. Anyone who believes they have a valid grievance or complaint should put it in writing to:

The Customer Services Manager, Greenbelt Group Ltd McCafferty House, 99 Firhill Road, Glasgow G20 7BE

Your complaint will be logged on the company’s enquiry management system and be investigated immediately. The Customer Services Manager will respond within five working days of receipt, either giving a full reply or advising you that additional time will be required and stating a date by which a response will be given. This will be sent by recorded delivery or registered post.

If you are dissatisfied with the full reply of the Customer Services Manager, then you must write to the Managing Director, as soon as possible but within 14 days, stating why you do not consider the reply to be satisfactory. Thereafter, the normal due process will follow, as outlined in detail above, in order to help you reach a satisfactory conclusion.

UNACCEPTABLE ACTIONS POLICY

Occasionally, the behaviour or actions of individuals we have dealings with make it impossible for us to continue any constructive engagement. In this small number of cases we have to consider taking steps to protect our staff or to ensure that our ability to work effectively is not undermined. This Policy, which can be viewed at www.greenbelt.co.uk, explains how we will approach these situations.

We hope you have found this factsheet helpful. Greenbelt believes wholeheartedly in customer engagement and, through our Customer Care Charter and Enquiry Procedure, it is our aim to continually improve the high standards of customer service. We welcome your feedback, so please do not hesitate to contact us.
